⚠ WARNING

- Read and follow all warnings and instructions in this manual to avoid personal injury to pet or property damage.
- This item is not suitable for children. Keep children away to avoid accidents.
- To avoid damage, do NOT assemble horizontally on the floor and lift to an upright position. Assemble product vertically as shown in instructions.
- For additional stability, we recommend placing product against wall or corner.
- Inspect product regularly and re-tighten screws as necessary.
- Always supervise your pet when using this item.
- Inspect product for damage and discard if any part becomes worn, loose or detached.
- As with most furniture, do not place in direct sunlight and/or damp area. May cause discoloration and potential rust on metal surfaces. It is normal for rope wrapped posts to discolor over time. Not recommended for outdoor use.
- Spot clean only with gentle liquid detergent mixed with water.
- Keep all tools and instructions in a safe place for future reference.

CAUTION: NOT SUITABLE FOR CHILDREN. Inspect regularly and discard if any part becomes damaged. For additional stability, we recommend placing against wall or corner. Not recommended for outdoor use. Periodically check hardware to tighten as needed.

assembly instructions

When assembling your cat tree, place on a flat, stable surface. Assemble vertically, starting on the base.

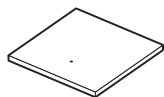

Loose components will result in damage to the cat tree. Ensure all screws are secure and tighten them again after two days. Check that screws are secure once a month to ensure product's stability.
