⚠ WARNING

- Read and follow all warnings and instructions in this manual to avoid personal injury to pet or property damage.
- This item is not suitable for children. Keep children away to avoid accidents.
- To avoid damage, do NOT assemble horizontally on the floor and lift to an upright position. Assemble product vertically as shown in the instructions.
- For additional stability, we recommend placing product against wall or corner. Follow the wall mount installation instructions to help prevent the tree from tipping over and causing injury to people or pets.
- Inspect product regularly and re-tighten screws as necessary.
- Always supervise your pet when using this item.
- Inspect product for damage and discard if any part becomes worn, loose or detached.
- As with most furniture, do not place in direct sunlight and/or damp area. This may cause discoloration and potential rust on metal surfaces. It is normal for sisal posts to discolor over time. Not recommended for outdoor use.
- For posts and platforms: Spot clean only with gentle liquid detergent mixed with water. See Sewn in Label for care instructions of bed and pillows.
- Keep all tools and instructions in a safe place for future reference.
- Do not exceed the maximum weight limit.

AFTERNOON ABODE CAT TREE

ASSEMBLY INSTRUCTIONS

When assembling your cat tree, place on a flat, stable surface. Assemble vertically starting at the top with the bed platform.

Loose components will result in damage to the cat tree. Ensure all screws are secure and then tighten them again two days after assembling your cat tree. Check that screws are secure once a month to ensure product's stability.

CAUTION: NOT SUITABLE FOR CHILDREN.

Inspect regularly and discard if any part becomes damaged.

For additional stability, we recommend, placing against wall or corner. Not recommended for outdoor use. Periodically check hardware to tighten as needed.

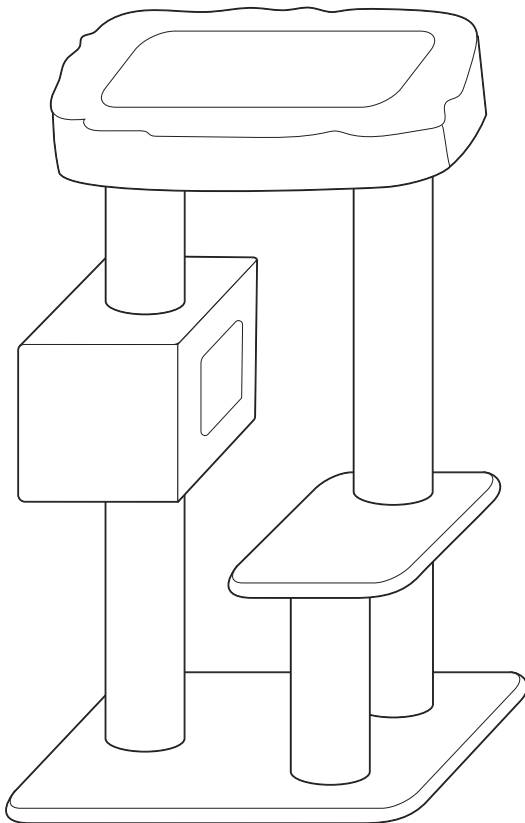

COMPLETED CAT TREE

28 L x 19 W x 45 H IN

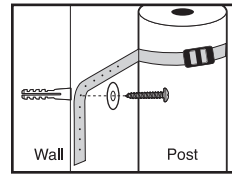

(71.1 L x 48.3 W x 114.3 H cm)

MAX WEIGHT LIMIT: 40LB (18.1 KG)

Due to ongoing product improvements, product photo on packaging may not match finished product.

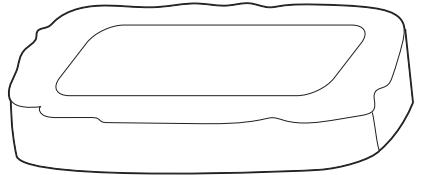

Assemble starting with the Bed Platform (assemble top down).

NOTE: The included wall mount must be installed to help prevent the tree from tipping over and causing injury to people or pets.

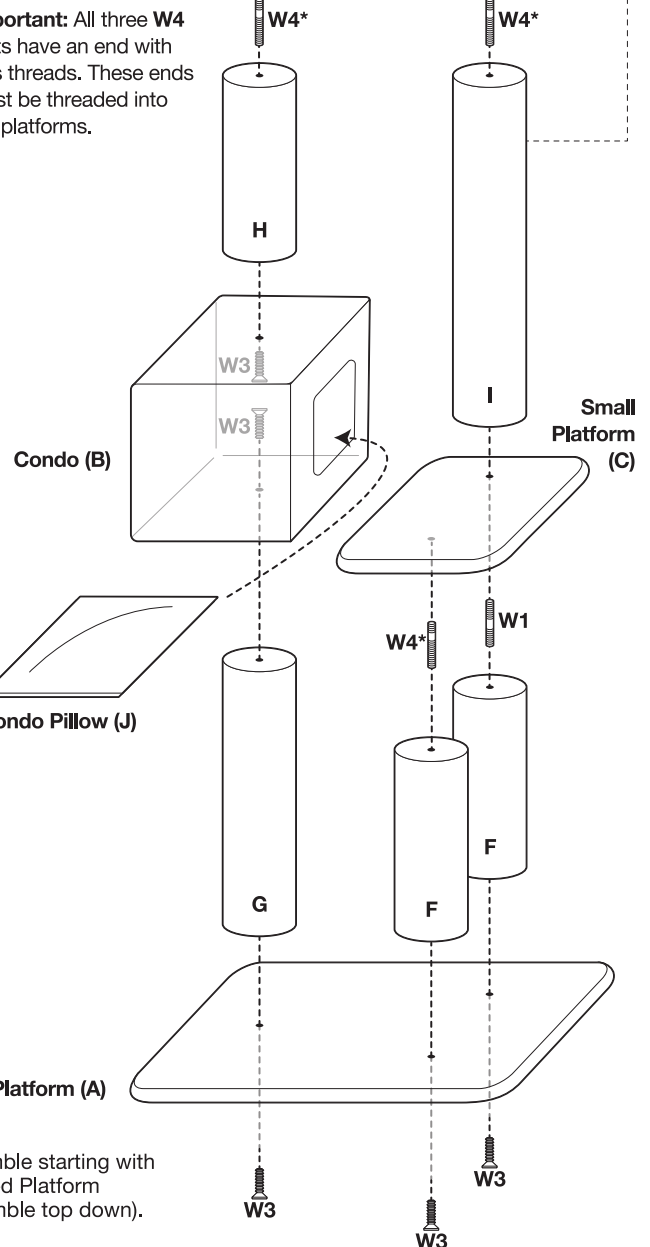

Bed Perch (E)

Elastic apron on the bottom of the bed will secure it to the bed platform.

Bed Platform (D)

*** Important:** All three W4 bolts have an end with less threads. These ends must be threaded into the platforms.

Base Platform (A)

Assemble starting with the Bed Platform (assemble top down).
