⚠️ WARNING

- Read and follow all warnings and instructions in this manual to avoid personal injury to pet or property damage.
- For pet use only. Not suitable for children.
- To avoid damage, do NOT assemble horizontally on the floor and lift to an upright position. Assemble product vertically as down in instructions.
- Wall mount is required.
- For additional stability, we recommend placing product against a wall or corner.
- Do not exceed maximum weight limit.
- Inspect product regularly and re-tighten screws as necessary.
- Always supervise your pet when using this item.
- Inspect product for damage and discard if any part becomes worn, loose or detached.
- Not recommended for outdoor use.
- Keep all tools and instructions in a safe place for future reference.

CAUTION: FOR PET USE ONLY. NOT SUITABLE FOR CHILDREN.

Inspect regularly and discard if any part becomes damaged. Do not exceed weight limit. Not recommended for outdoor use. Do not allow children to climb on or hang from furniture. Check all hardware and connections regularly to tighten as needed.

CARE INSTRUCTIONS

Spot clean only and vacuum when necessary.

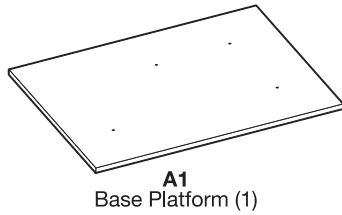

Lookout Loft 8-Level Cat Tree—Assembly Instructions

When assembling your cat tree, place on a flat, stable surface. Assemble vertically, starting on the base.

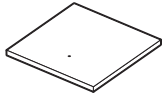

Loose components will result in damage to the cat tree. Ensure all screws are secure and tighten them again after two days. Check that screws are secure once a month to ensure product's stability.

Parts List

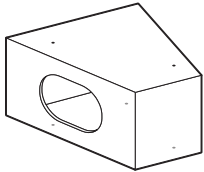

Tools needed are included. Check that you have all the parts shown BEFORE assembling your product. If any parts are missing, call Customer Service.
