PARTS

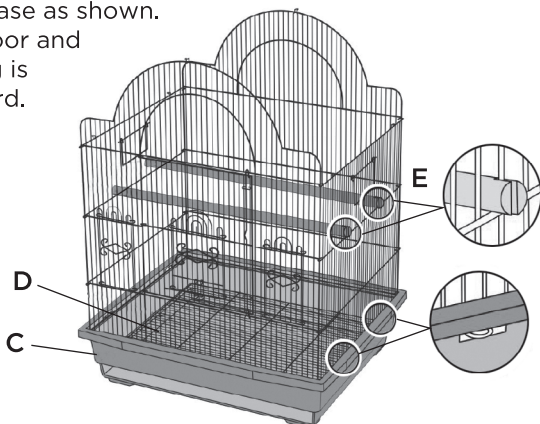

ASSEMBLY INSTRUCTIONS

STEP 1 Unfold habitat. Interlace hooks on Sides/Front (A) and Back Panel (B) as shown.

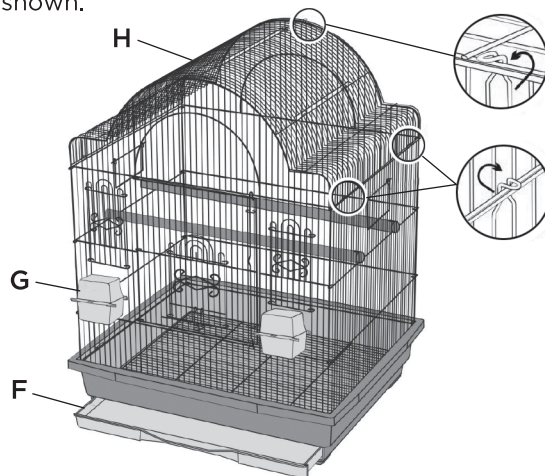

STEP 2 Place Grate (D) into Base (C). Attach Base (C) to habitat and insert loops on sides into holes on Base as shown.

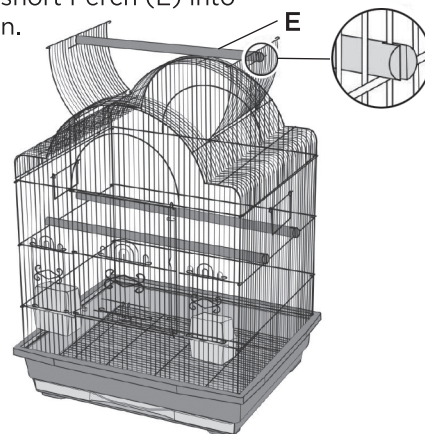

Make sure door and Tray opening is facing forward. Insert 2 long Perches (E).

STEP 3 Place Roof (H) on top of habitat and interlace hooks as shown. Insert Dishes (G) and Tray (F) as shown.

STEP 4 To open up top, unhook dome roof from top panel. Insert short Perch (E) into roof as shown.

NOTE: When not in use, make sure to close top and secure all hooks for your bird's safety.
